Notes:

a. If by judgement of the fire code official an inspection requested is not ready or accessible for inspection, or in the judgement of the fire code official the applicant has caused the Fire District extra inspections other than typically required, a fee of fifty (\$50.00) may be assessed for each additional inspection or re-inspection.

b. Not for profit organizations may be exempted from the fee with approval of the Fire Official.

c. The display (discharge) of consumer grade (Division 1.4G) fireworks does not require a permit.

Effective Date _____ 2016.
