Notes:

- a. For Major plans the building owner pays for an outside firm to do the plan review if needed. (E.g. ICC, etc.)
- b. The review fee includes the initial review and one (1) revised plans, any additional needed reviews are subject to an extra review fee at the same rate.
- c. Apartment and condominium buildings are considered a commercial structure.
- d. This is the miscellaneous review fee rate.

Effective date _____ 2016.
